Operational Clearance Status of PASTIME Agents

1. In checking over our PASTIME files, we are making an effort to ascertain the current status of operational clearance for PASTIME agents. The following paragraphs delineate the present situation as nearly as we can ascertain from our files, which have suffered somewhat because of various personnel changes.

2. We have either partial information or none concerning the operational clearance status of the following: CALAMUS 1, 2, 2a, 3, 4, and 26; KIBITZ 1, 2, 3, 4, 5, 6, 7, 8, 9, 9a, 10, 10a, 11, 11a, and 12. The status of the following members of the KIBITZ 15 chain is not known: KIBITZ 156 and 158. We have, however, requested full information on all of these cases at Headquarters and will inform you as soon as this information has reached us. Any light you can cast on these matters will be appreciated.

3. According to our records, the following have received operational clearance: CALAMUS 5, CATTY 4, KIBITZ 9a, 13, 127, and 161.

4. Provisional clearance has been granted for the following: CAOLIO and CATARACT 2. We have PRQ Parts I and II for CATARACT 2, but PRQ Part II should be submitted for CAOLIO.

5. Operational clearance has been requested for the following: KIBITZ 14, 15, 16, and 17. We have PRQ Parts I and II for all of these.
